**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Prices for internet are too much. I want more providers with lower cost. I don't want a monopoly and a stagnant market.

There are just two providers for me to choose from and they continue to change their prices and there speeds. Because they have a monopoly, I go through the same routine every year to research pricing because of the changes in my plan. Also causing me to deal with equipment which is another store.
